WHAT IS KHAREED

Khareed is a procurement services firm catering to Pakistan-based companies. Khareed facilitates businesses across Pakistan with their wholesale trade and bulk purchasing. Using Khareed, companies can source products, identify reliable suppliers, and conduct their procurement in a transparent and cost-effective manner.

We offer sourcing for more than 6000 different products most commonly sought by industrial and commercial enterprises. We connect companies to one another. Through Khareed, companies can transact with reputable, established suppliers and ensure that they get the best price available in the market.

WHAT MAKES KHAREED DIFFERENT

At its basic level, Khareed is a marketplace where businesses can come together to trade and transact. Trade is a timeless facet of human history, from the merchant bazaars dotting the coast of the subcontinent to today's corporate expos. Khareed simply continues this rich tradition.

Focus on Technology and Data

What sets us apart from the brick and mortar world of commerce is our focus on technology and data to offer convenience, transparency, and speed to our customers. At the click of a button, our users can connect to thousands of buyers and suppliers and grow their business at a pace never before imagined.

Focus on Business and Enterprise Customers

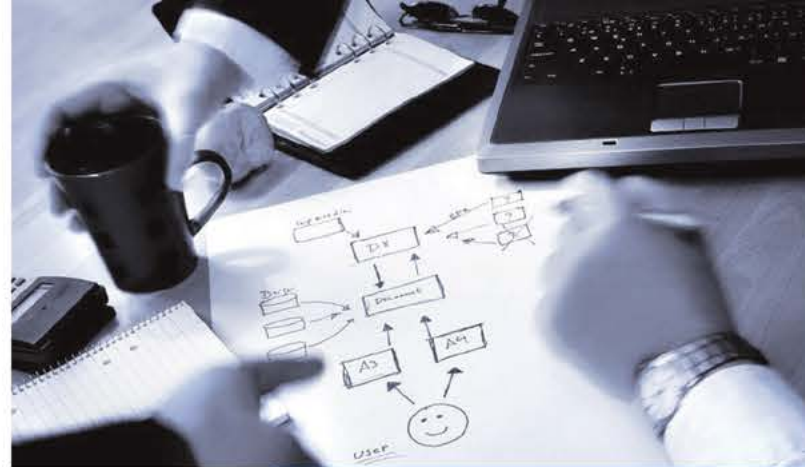

What sets us apart from the new e-commerce companies arising all over the world, including those in Pakistan, is our focus on business and enterprise customers. We engage with reputable, established firms, and deal in large volumes.

Our Core Values

What sets us apart from everyone else is the timeless nature of our core values, which guide everything we do. Our work, our service, and our transactions are guided by a commitment to integrity and honesty. We believe in maintaining the highest professional standards, be it in our customer service or in the value we deliver. We believe in striving towards exceptional performance, both in what we do and in the professional and personal growth we offer our employees.

OUR VALUES

Be Transparent In All Conduct

- Maintain honest and integrity in all dealings
- Encourage open communication
- Share good practices and openly highlight areas for improvement

Uphold the Highest Professional Standards

- Exceed client expectations through exceptional service delivery
- Ensure there is no conflict of interest in client dealings
- Maintain client confidentiality
- Build long-lasting client relationships based on trust
- Manage resources cost-effectively and efficiently
- Treat others with respect

Constantly Strive For Exceptional Performance

- Create a meritocratic environment and encourage improvement
- Drive continuous improvement through research and development
- Keep learning new things
- Be open to innovation and out-of-the-box thinking

WORKING AT KHAREED

Khareed offers a number of exciting roles for individuals willing to work in a challenging and creative environment. Khareed is a startup, and roles and responsibilities of team members are not rigid. We expect team members to roll up their sleeves and take ownership for delivering a high quality customer experience. This means engaging in 360 degrees of the work, end to end, wherever required. We have three core areas of work:

Business Development

The business development role is on the customer facing side of Khareed. Business Development Officers drive the acquisition, onboarding, and day-to-day facilitation of Khareed's users, buyers and vendors alike. This is a sales and marketing, customer relationship management, and industry specialist job rolled into one.

Analytics

The analytics role at Khareed is critical to maintaining our competitive edge. Khareed's systems gather large amounts of data on customers buying and selling behavior. Converting this data into intelligent, actionable insights is where our analytics team comes in.

Technology

Technology is the engine on which Khareed runs. Our focus on technology is what distinguishes us from other wholesalers and service providers. The individual job roles within the technology side of Khareed are numerous and varied, covering communications, web applications, data management, and security.

WHY WORK AT KHAREED

At Khareed, we understand what it takes to create a great working environment. We want to create a place where great individuals come together to produce exceptional results. We aim to do this by supporting your career development. We want our employees to pursue their passions, enjoy their work, and bring their strengths to the job.

Khareed is structured to enable you to continually grow and evolve—your role is limited only by your own aspirations and willingness to learn new things. At Khareed, we engage you for who you are today as well as for what you can become tomorrow.

Is Khareed The Right Place For You?

When you join Khareed, you join a close knit team, held together by a common purpose and a core set of values. We work with absolute commitment and dedication to one another and to the team's larger goals. Our success comes from satisfied clients and surpassed expectations.

Khareed is the right place for you if:

- You are willing to work hard to create something new and exceptional
- You are motivated to keep learning something new every day, to keep pushing yourself to do more and to do better every day
- You are driven by being part of a team that is greater than the sum of its parts
- You are excited to roll up your sleeves and get your hands dirty, and to do whatever it takes to get the job done

If this sounds like a culture that you would like to be part of, we are excited to hear from you. **Apply Now.**
